EDUCATION

PACE INSTITUTE OF TECHNOLOGY AND SCIENCES   2022 - 2026
aiml Bachelor of technology   Ongole
CGPA: 8.9

OXFORD JUNIOR COLLEGE   2020 - 2022
MPC-   Intermediate   narasaraopet
Percentage: 97.3%

OXFORD CONCEPT SCHOOL   2019 - 2020
metriculation CGPA: 10   narasaraopet

EXPERIENCE

INTERNSHIP |

Java full stack : Developed a Pharmacy page which consists of all the requirements using html,css,javascript

Codsoft platform : Python internship

SKILLS

Programming Languages	c, java, python, javascript
Libraries/Frameworks	react, nodeJS, ExpressJS, Flask
Tools / Platforms	Git, VS code
Databases	SQL, MongoDB

PROJECTS / OPEN-SOURCE

PHARMACY WEBPAGE | Link   HTML | CSS | jAVASCRIPT
- this is built based on apollo pharmacy website
- with this project we can view all types of pharmacy products available in that website
- customers can avail offers and also purchase medicines based on the doctors' prescription

POSE ESTIMATION USING MEDIA PIPE | Link   python | Mediapipe module | machine learning
- using this project user can view the angle between the joints at every pose positioned
- this can also be used in the furthur process for ai gym tracker
- this pose estimation is mostly used to determine the poses while performing at gym or exercising

- This is used to edit the code instantly
- this codepen is designed to only edit the front end part of code
